BOHDAN SAVCHENKO

MEDIENGESTALTER • JUNIOR UX/UI DESIGNER

As a media designer with over **5 years** of professional experience (most recently in a German advertising agency), I combine strong visual design with user-centered product development. My current focus is on UX/UI design: Using Design Thinking, wireframing, and prototyping (Figma), I create intuitive digital experiences. My profile is complemented by my profound expertise in the Adobe Creative Suite, as well as the targeted use of AI tools to optimize creative workflows.
